Societies in Partnership

1584 • 2009

425 YEARS OF CAMBRIDGE
PRINTING AND PUBLISHING

CAMBRIDGE
UNIVERSITY PRESS

- The **London Mathematical Society** is the major UK learned society for mathematics.
- Founded in 1865 for the promotion and extension of mathematical knowledge, the London Mathematical Society was granted a Royal Charter in 1965.
- Publish **over 500 titles** with Cambridge in Two Series:
London Mathematical Society Lecture Note Series
London Mathematical Society Student Texts
- Publish **2 Mathematical Journals** focus on the mainstream of both pure and applied mathematical articles.

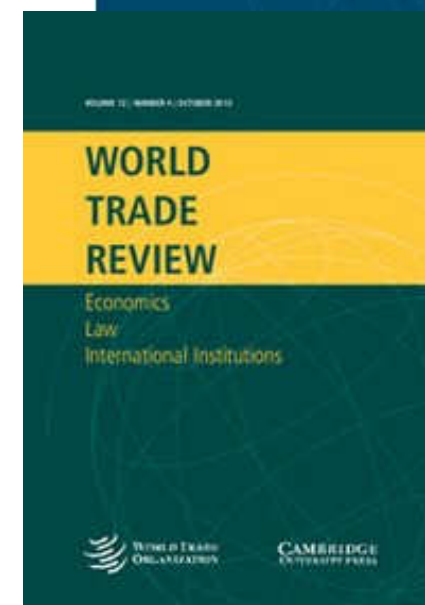

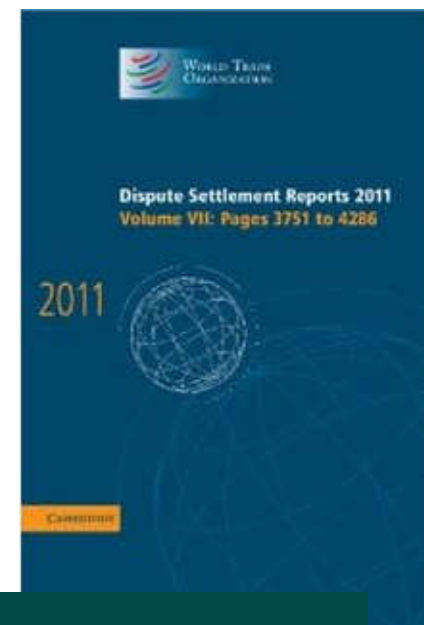

LONDON
MATHEMATICAL
SOCIETY

American Political Science Association

- The American Political Science Association, founded in 1903, is the leading professional organization for the study of political science.
- Publish 4 leading journals with Cambridge University Press.
- *American Political Science Review* ranked 1st of all 157 journals of Political Sciences, IF: 3.933
- *Perspectives on Politics* ranked 10th of all Political Sciences Journals, IF:1.963

- Cambridge University Press publishes 170 volumes of World Trade Organization Dispute Settlement Reports since 2000 to 2014
- The Dispute Settlement Reports of the World Trade Organization (WTO) include Panel and Appellate Body Reports and arbitration awards in disputes concerning the rights and obligations of WTO members.
- The *World Trade Review* was established at the initiative of the Secretariat of the World Trade Organization (WTO) in close cooperation with Cambridge University Press.

- The ICRC, established in 1863, works worldwide to provide humanitarian help for people affected by conflict and armed violence and to promote the laws that protect victims of war. An independent and neutral organization, its mandate stems essentially from the Geneva Conventions of 1949.
- Publish Journal International Review of the Red Cross with Cambridge University Press.
- Publish books concerning Humanitarian Law

The Nutrition Society

- Highly regarded by the scientific community, the Society is the largest learned society for nutrition in Europe
- Membership is worldwide.
- Deals with all aspects of human and animal nutrition.

Materials Research Society

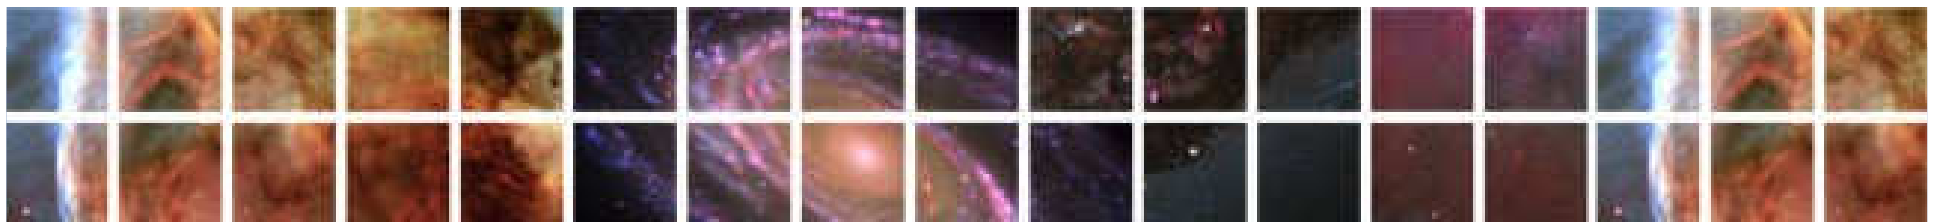

- The Materials Research Society (MRS) was established in 1973.
- Study broader in scope than existing single-discipline societies which is a new *interdisciplinary* organization.
- Across from physics, chemistry, biology, mathematics and engineering—the full spectrum of materials research.
- Publish 4 journals with Cambridge University Press, all of them are indexed by SCI.

MATERIALS RESEARCH SOCIETY
Advancing materials. Improving the quality of life.

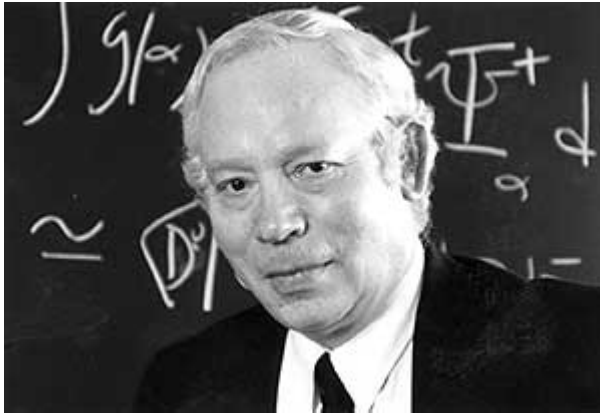

The International Astronomical Union (IAU)

- The International Astronomical Union (IAU) was founded in 1919.
- The IAU publishes scientific results and information in all areas of astronomy. IAU Publications comprise primarily the Information Bulletin and *the Proceedings of the IAU* General Assemblies and other scientific meetings sponsored by the IAU. The series of [IAU Symposia](#), [IAU Colloquia](#), the IAU Transactions ([Vol. A](#) and [B](#)), and the [Highlights of Astronomy](#) are published by the [IAU Publisher](#): Cambridge University Press

University Publishing Online (UPO)

 Cambridge University Press is one of the largest and most prestigious academic publishers in the world.	 The Mathematical Association of America is the largest US professional society that focuses on mathematics accessible at the undergraduate level.	 The Royal Economic Society is one of the most prestigious economic associations in the world. It was founded in 1890 with the aim to promote the study of economic science.	 Foundation Books, an imprint of Cambridge University Press India, publishes original academic and educational books in the English language.	 Liverpool University Press is the UK's third oldest university press, with a distinguished history of publishing exceptional research since 1899.
 Anthem Press is a distinguished independent publishing house with a strong international focus, pioneering a distinctive approach to the publishing of important works.	 Edinburgh University Press is Scotland's premier scholarly publisher of academic books and journals and one of the top university presses in the UK.	 Boydell & Brewer publishes across the humanities, including history, literature, music and the arts. We serve academics, specialists and learned institutions globally.	 The University of Adelaide Press publishes new scholarly books by its own academics. Our aim is to maximise access to the best of our research.	 An independent publisher of books and journals in philosophy, religion, classics and history of ideas for students, lecturers and researchers.
